SHOP WORKERS TO BE REDUCED 7 CENTS AN HOUR

While Hoover Tells Congress of Danger of Profiteering by Coal Retailers

Chicago, June 6—Representative families of shop craft workers employed by the railroads will be unable even with the most economical management to procure enough food for their families, labor representatives of the railroad labor board declared today in protesting the new cut in pay for shop workers. Other objections to the pay cut approved by six of the nine board members follows:

The wage cut now made "rests upon no consideration of the human needs of employes affected." The rates of pay, insufficient to provide for a family of five, will put "permanent marks of mal-nutrition on the physiques of the next generation.

"The rates of pay established mean lower purchasing power and lower standards as compared with pre-war years. The saving to the railroads will far exceed anything justified by the savings to the public in decreased rates. Greater profits for the companies and lower wages will result in a lowered morale of railroad employment."

What the Cut Is

Chicago, June 6—The wages of railroad shop employes were cut $60,000,000 a year today by the United States railroad labor board. Five hundred thousand men under normal conditions are affected. The board's decision closely follows the one reducing the maintenance of way employes $50,000,000 a year.

Under today's decision, which is effective July 1, 70 cents an hour is the minimum rate for mechanics. The largest division of shop employes, machinists, boiler makers, blacksmiths and electricians, is reduced 7 cents an hour. The pay of freight car men was cut 9 cents an hour and car cleaners 5 cents.

More Employment

Petitioning for a reduction in pay of shop workers, the carriers told the board that a cut would mean more men would be employed to repair the equipment of the roads. Carriers contend that, because of the prevailing high wages, rolling stock has deteriorated for lack of funds to hire men to do the work. The board said in its opinion that the cut represented a decrease in the cost of living.

Three Dissent

In a dissenting opinion, signed by A. O. Wharton, Albert Phillips and W. C. McNemin, representing labor, it pointed out that even the old scale of wages does not enable "shop craft families with the most economical management to procure enough food. The labor members are in favor of an increase. At current prices an increase in pay would be necessary to enable these employes to secure a fair standard of living. The failure of the majority to consider the real merits of the case, has created a wage structure which has no relation to existing standards."

Means Strike Vote

The decision, which has been expected for some time, will mean a strike vote of the railroad employes involved, Bert M. Jewell, president of the railroad department of the American Federation of Labor, said today. Final plans for a vote are to be mapped out in a meeting to be held here, it was said.

Hoover Warns Congress

Washington, June 6—Unless congress takes some action immediately, the price of coal will be boosted throughout the nation from $1.50 to $2.00 a ton, officials believe. Just when the "moral agreement" plan between Secretary Hoover and the coal producers effected a 15 per cent saving, the retail dealers believe that increased prices are inevitable.

Congress is the only body that can set up a system to control prices in the emergency, Secretary Hoover told the United Press before he left on a western trip. "I do not recommend such action. I merely point out that no other man or group of men in the United States can arbitrarily stop the retailers if they wish to raise prices," he said.

Shop Men To Vote

Chicago, June 6—A strike vote was ordered taken today among 500,000 members of the federated railroad shop craft union, following the announcement of the United Railroad Labor board of a 900,000,000 wage cut. The shop workers will vote whether to walkout in protest to the reduction in pay. The result will be made known June 30, the day before the new scale goes into effect.

This is the second railroad labor organization to send out a strike ballot, following a wage slash. The first, maintenance of way workers, sent out a ballot following a $50,000,000 reduction in pay ordered two weeks ago.

Union Leaders Meet

Cincinnati, June 6—Leaders of rail unions met here today to fight the slashes in the pay of rail workers by the United States railroad labor board, which total $110,000,000 in the last two weeks, according to William Johnson, president of the machinists' union.

The conference does not possess power to call a strike but will lay plans for strike votes. Johnson, the members of whose union were cut from 77 to 70 cents an hour, today charged that the railroad labor board, which was appointed to safeguard the public interest, was unjustified in making the cut.

The conference was called in anticipation of the 900,000,000 slash announced by the board today.

Iowa State Too Goes Progressive Brookhart Wins

Des Moines, Iowa, June 6—Iowa lines up with Indiana and Pennsylvania. The third state within a month holding primaries of the Republican party has been carried by the Progressives.

Has a Good Lead

Smith W. Brookhart, Progressive candidate for Republican nomination for United States senator from Iowa, today maintained a lead well over the 35 per cent of the total votes required for nomination, in returns compiled from Monday's primary. The lead of the Progressive over five other candidates steadily increased as reports were piled up from scattered precincts throughout the state

Most of the state thus far tabulated is from precincts where Brookhart was expected to show his greatest weakness. The rural districts, yet to be heard from, are regarded as Brookhart's strongholds.

A Great Victory

Washington, Ia., June 6—Iowa has given the Progressive movement the greatest victory in history, Smith Brookhart, apparent winner of the Republican senatorial nomination in this state, told the United Press at his home here today.

"This victory is not personal to me. It is a victory for the farmer, laboring people, soldiers and mothers of Iowa. It is also a victory for the business man who is willing to turn his back to Wall street and look to the farmers and laborers for feed from their bins. This is even a greater victory for the Progressive cause than the Indiana and Pennsylvania primaries because the platform on which I ran was more Progressive," he said.

CROP OUTLOOK GOOD IN PORTAGE COUNTY

Arrival of Hot Weather Recalls Heat and Long Period of Drouth in 1921

Weather today which fell but little short of the 90 degree mark recalled the heat wave of last summer which began at just about this time of year and continued until September with an accompanying drouth that ruined many crops. A heavy shower on the 10th of June, 1921, was the last rain of any consequence which fell in Portage county for a period of nearly three months. A heat wave which followed it blistered and heavily damaged the potato crop.

Although hot weather is now at hand, the outlook for crops is splendid and farmers do not anticipate either an extremely torrid summer or a long dry period. While cold weather lasted until late in the spring, after its departure there were no killing frosts and rains have been frequent enough to hasten growing of farm crops. There has been excellent "growing weather" during the past six weeks, and while crops are tender, they are fully as far advanced as they should be for an average season. A bumper crop of rye is expected in all sections of Portage county. It will be ready for harvesting early in July.

ZIMMER WITH SHRINERS ENROUTE TO THE COAST

Emil Zimmer, Soo line round house foreman here, left the city Sunday for Milwaukee, where he joined a party of 300 Wisconsin Shriners who are enroute to San Francisco to attend the Imperial Council of the Shrine. He expects to be gone about a month.

HIGHWAYS NEAR CITY SCENE OF MANY ACCIDENTS

Two Cars Go In Ditch on No. 18 West and One Man Is Injured

(From Monday's Daily)

Many automobile accidents occurred near Stevens Point over the week-end, badly wrecking several cars but fortunately causing but slight injuries to any of their occupants. The scene of three of the accidents was shifted from the Plover road, where many bad mishaps have occurred this spring, to the new concrete road west of the city.

A Ford touring car with a winter top, owned and driven by Andrew Gollon, 217 Wood street, left the concrete on highway No. 18 west of the city at 2:30 o'clock Sunday morning when Mr. Gollon lost control of the machine.

Gollon's wife was seated in the front seat beside him and their three children occupied the rear seat but none was injured. The car went off the road on the left hand side, broke off several guide posts, plunged down an embankment and was badly wrecked. Front wheels were broken off, axle bent, lamps demolished an one fender bent and twisted.

Second Car in Ditch

A second accident occurred on the same road a short distance from the scene of the first, shortly after the Gollon machine had been wrecked, when a Ford touring car which had been rented at Waupaca by N. L. White of that city, who was driving it, went into the ditch after breaking off several guide posts. Ezra Comfort of this city and another Waupaca man are reported to have been riding with White at the time. Comfort was rendered unconscious when thrown from the machine, suffering cuts on his face and a severely bruised shoulder. Later in the morning after he had been brought to this city he was placed under arrest by an officer and this morning was arraigned before Judge W. F. Owen on a drunk and disorderly charge, to which he pleaded guilty. A fine of $5 and costs was imposed.

The touring car was badly wrecked as it turned over into the ditch and finally came to a stop against an embankment. The left front wheel was broken off, the top demolished, windshield broken, two front fenders wrecked and front springs and one rear fender damaged. Comfort is reported to have been the only man who was injured.

Auto Crashes Into Buggy

Still another accident occurred on the same highway Saturday evening when an automobile reported to have been driven by a Junction City resident crashed into a buggy in which two women residents of Rocky Run were seated. Both were thrown from the vehicle, which was wrecked, but they were not hurt. It is reported that the car failed to stop after hitting the buggy, but that it went into the ditch a few minutes later after being driven only a short distance. tance.

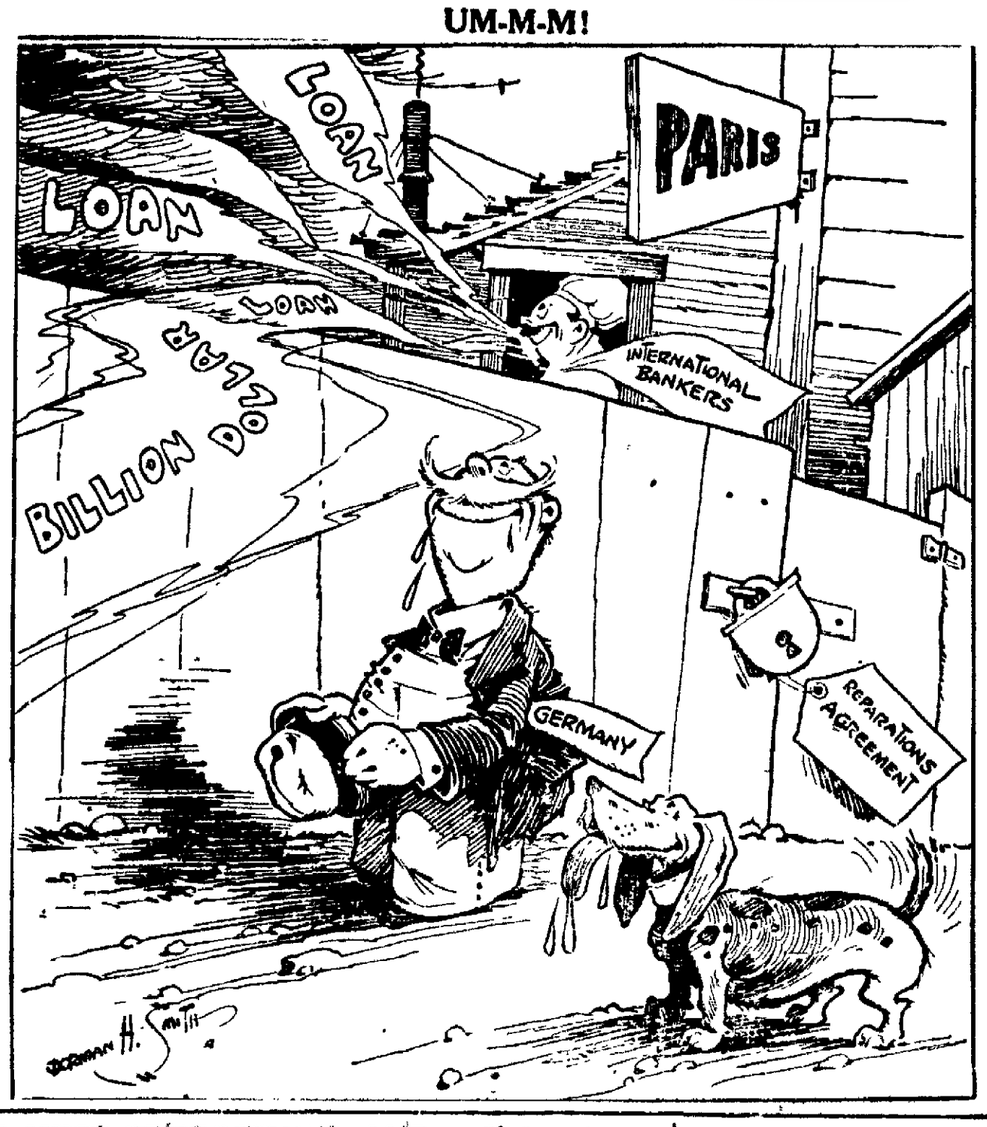
On Waupaca Road

Several accidents occurred on the Waupaca road on Sunday afternoon, one of which included a crash of cars owned by Stevens Point people. The Ford touring car owned and driven by George Moeschler was struck from the rear by another local car after Mr. Moeschler had stopped just before reaching a narrow place in the road to permit another car, which was coming in an opposite direction, to go by. No one was injured. The accident occurred several miles this side of Waupaca. Mr. Moeschler and several companions were enroute to Waupaca to attend the baseball game. Considerable damage was done to the rear of his car and also to the radiator of the other machine. The name of the driver of the other car was not learned today.

Roadster Damaged

The roadster owned and driven by Frank Love was "side-swiped" by another car on the Wausau road at 10:30 o'clock Sunday evening, when the two car met. Mr. Love was driving towards Stevens Point in company with Dr. W. R. Cashin and Arthur Duggan and the accident occurred at a point about three miles north of this city. Rear mechanism of the roadster was damaged when the hub on its left hand rear wheel was caught by the other machine which was being driven towards Wausau. Brakes and brake rods and the universal joint were damaged and the rear of the roadster thrown over to the side of the road. Its occupants were uninjured. The other car lost a hub-cap but was not otherwise damaged. Its license number was secured but the name of the owner had not been learned today.

UM-M-M!



TOO MUCH REGULATION IN RUNNING BUSINESS

Beveridge Would Repeal Anti-Trust Act and Give the Railroads a Chance to Thrive

Indianapolis, Ind., June 6—Business prosperity depends now upon the removal of the shutter of uneconomic and anti-economic legislation that has been on the statute books for years, Albert Beveridge, former United States senator and candidate for election on the Republican ticket, declared before a convention of credit men here today.

Beveridge advocated repeal or amendment of the Sherman anti-trust law, revision of the taxation system and release of the railroads from "the law regulation, agreements and governmental interference by which railway operations and managements have been all but paralyzed."

WEDDING OF ROYALTY TO BIND TWO STATES

Princess Marie of Rumania on Her Way to Become Bride of the King of Serbia

Belgrade, Serbia, June 6—Princess Marie of Rumania, accompanied by the Rumanian royal family, is enroute here today on a Danube river steamer to meet King Alexander of Serbia, to whom she will be married Thursday.

The attention of the Balkan states is centered on this historical city as royalty gathers from all parts of Europe for the ceremony. The Duke of York, representing Great Britain, and Prince Alfonso and Princess Beatrice of Spain have already arrived. The Prince Udine representing Italy, will reach here this afternoon.

LENINE MUST HAVE REST TO INSURE RECOVERY

Riga, June 6—Premier Lenine of Russia suffered a severe attack of illness May 28, according to a statement issued by the Soviet embassy here today. Coupled with previous over work this attack affected his nerves and his circulation His circulation is now normal, however. Doctors have ordered an absolute rest for his period of convalescence.

Rodd Case Rehearing Is Refused Governor By Supreme Court

Madison, June 6—Governor John J. Blaine's bid for a rehearing by the supreme court of the Rodd case was turned down by that tribunal today. The supreme court several months ago reversed an order by the state executive in which he vacated the office of Sheriff Hans Rodd of Oneida county for refusal to obey a pardon order. Governor Blaine at the May meeting of the court through M. B. Olbrich, executive counsel, demanded a rehearing of the case.

The tribunal today announced his plea was denied. There was no opinion filed by the court. The decision was verbal and closed definitely the case. Rodd retains his office as sheriff. George Amundson, appointed by Blaine to take his place, being out of both a job and the expense of litigating.

GETTING A JURY FAST FOR MADELLYN'S TRIAL

Los Angeles, Calif., June 6—Rapid progress in selecting a jury to try Madellyn Obenchain for the murder of J. Belton Kennedy today indicated that taking of evidence may begin either tomorrow or Thursday Four women and eight men were in the box when the case was called today. This is Madellyn's second trial.

RELEASE OF BIG FUND TO STRENGTHEN MINERS AND MAY WIN STRIKE

Decision of the United States Supreme Court Tremendously Helpful to the Union Organization

Washington, June 6—The supreme court decision releasing $750,000 of United Mine Workers funds may hasten the end of the strike, mine officials said today. The decision releases for use of the mine unions funds which have been tied up for weeks, in connection with the Coronado Coal company damage suit. The supreme court yesterday ruled in favor of the miners.

The release of this sum and the virtual certainty, as the result of this decision, that the mine workers will receive another $350,000 tied up in an identical suit brought by the Pennsylvania Mining company now pending in circuit court of appeals in St. Louis will so strengthen the miners that the coal operators may be willing to meet them in a conference to settle the strike at once, according to an opinion expressed at union headquarters.

TWO MILITIA OFFICERS DROPPED BY HOLWAY

Found Guilty of Permitting Sale of Moonshine in the Armory Under Their Command

Madison, June 6—Moonshine cost two national guard officers their commissions today and may divest a third of his before Adjutant General Holway gets through with his investigation. First Lieutenant J. E. James and Second Lieutenant A. H. Becker, both of Battery A, of the 21st field artillery, Milwaukee, were dropped from the roll of the state as officers on the strength of an investigating board's report. The men were found guilty of having knowledge that moonshine was being sold at the armory and that they were guilty of conduct unbecoming an officer.

WILSON BROKE WORD SAYS CHICAGO MAYOR

Thompson On Stand Says He Was In Favor of War After Its Declaration

Chicago, Ill., June 6—Mayor William Hale Thompson charged today that Woodrow Wilson broke his word by "entering the world war after he had promised to keep us out."

The mayor was called as a witness in a $500,000 libel suit against the Chicago Tribune. The mayor held the newspaper libeled him when he was called a "traitor" for utterances concerning the war. Thompson said he was against America's entrance in the world war but was favorable to the conflict after the war declaration was made.

ASSAIL SCHEIDEMANN WITH PRUSSIC ACID

German Political Leader Badly Burned and Has a Narrow Escape From Death

Cassell, Germany, June 6—Phillip Scheidemann, German political leader, is bedridden today as the result of having prussic acid thrown over him by an assassin. The attack on Scheidemann was made in the streets of Cassell as he was taking a stroll He fired two shots at the assassin but the man escaped. One suspect was arrested but was later released upon proving an alibi.

PLOVER ROAD AGAIN SCENE OF ACCIDENT

Warrant Out For Meehan Car Driver After Thursday Night Mishap

The season's accidents on the Plover road mounted to six Thursday evening when a new touring car owned and driven by C. F. Rosenberger of Meehan lost its front and rear right hand wheels while circling the concrete at the McDill curve after being driven south across the McDill bridge.

A warrant was issued this morning on complaint of Ernest Moore, city, charging Rosenberger with driving a car while intoxicated. Moore had noticed the car as it was being driven about Stevens Point earlier in the evening.

Police Get Complaints

The McDill accident occurred while local police, acting upon several complaints of local citizens, were scouring the city streets for a car which it was claimed was being driven in a reckless fashion. Before the machine was located the accident on the Plover road was reported and an officer and deputy sheriff went to McDill. They found the wrecked car in the roadway but learned that its occupants had gone to Stevens Point for garage assistance.

Two Men Uninjured

Rosenberger, who was formerly proprietor of the Golden Eagle saloon on the Wisconsin Rapids road near Wisconsin Rapids, had driven to Stevens Point Thursday evening in company with Frank Flatoff of Meehan. The pair were driving south on the Plover road when the accident occurred. The touring car lost two wheels in quick succession and its axle shaft was sprung. When it came to a stop it was facing [illegible] direction from which it had come. Neither of its occupants was injured.

Officers who visited the scene a few minutes after the accident occurred found the machine partly obstructing the highway and removed it to one side. Its owner had taken a taxi to the city to get help. An hour later the car was brought into the city.

Local Man Jailed

Leo Pliska, following a plea of guilty entered to a charge of driving a car while intoxicated, was sentenced to five days in the county jail and was fined $15 and costs of $8.45 by Judge W. F. Owen in county court this morning. If Pliska does not pay the fine he will be forced to spend an additional 25 days in jail. Pliska was charged with having driven on local streets while under the influence of liquor.

BLAZE AT PLOVER WATER TANK BURNS

Fire Truck From City is Called to Assist in Keeping Fire Under Control

Fire which started at 3 o'clock Monday afternoon burned the roof off the water tank at the Green Bay and Western and Soo line depot at Plover.

The fire truck of the local fire department was called to assist in extinguishing the blaze.

JAPANESE CABINET BREAK DUE TO HOME CAUSES

Tokio, June 6—Failure thus far to find any outstanding leader to head a new government today further complicated the Japanese international political situation which was brought to a climax late yesterday by the resignation of Premier Takahashi and his cabinet. The downfall of the Takahashi government was the direct result of nation wide political discontent arising from purely domestic questions and in no way was affected by foreign policies or the treaties signed by the Japanese delegation at the Washington arms limitation conference.

HARVARD TO LIMIT STUDENTS MAY BE ATTACK ON JEWS

Cambridge, Mass., June 6—Appointment of a committee to "consider and report to the government board principles and methods for more effective restrictions upon candidates for admission," has been favorably voted on by the board of overseers of Harvard university. Recent agitation over reports of limiting the registration of Jews at the university was discussed at the meeting.

Another Reduction in Railway Wages

We regret that the railway wage board has felt it necessary to make another reduction in wages on July 1. We regret it for two reasons. The first is a selfish one. It means a reduction of the purchasing power of Stevens Point; the cut in the Soo's payroll will affect injuriously every business house, church and lodge in this town. Those of us who don't work for the railroad will suffer through this wage cut because the buying power of our people is thereby impaired. Yet we can give a second and better reason for opposition. We do not believe the cut is just and necessary. Two or three years ago the wages of the men were increased, then rail rates were increased to offset it, a year ago wages were reduced without affecting rates, and now, when there is to be a reduction of rates on July 1, it seems to us that it should balance the wage reduction of a year ago and not be accompanied by another cut in the men's pay. For, indeed, the reduction in rates soon to be made is, in this territory, only 40 per cent of the increase made two years ago; we will still pay rates 21 per cent higher than prevailed up to the fall of 1920.

We hope that some way may be found to prevent the new wage cut. Not through a strike, or threat of a strike, for that might only be playing into the hands of the railroads, but through reconsideration by the wage board. That board is now sharply divided. Three of its members made this official statement:

"The rate of pay established under these decisions is not based upon human needs of hundreds of thousands of families involved. They are insufficient to provide properly these families with absolute necessities. The decision will mean annual earnings far below any minimum standard of decisions which have been formulated, even below those of the most conservative employers group."

When a minority of three on the board feels thus strongly on the subject there should be opportunity to reopen the case and give fair consideration to the men the character of whose employment demands that they be workmen of high class and many of whom even hazard their lives every time they go out to do a day's work.

The Peoples' Trouble

The eruption of a "labor war" in Chicago, impresses the Journal with the obvious necessity of governmental activity in industrial matters.

The nation can no longer sit back and feel only incidentally affected by industrial warfare. It is directly interested in any industrial fight that affects the price of food, clothing, fuel or any other commodity of life.

The employer can not say to the government, representing the people, "you hands off, this is my fight." Neither can the employe.

Possibly a permanent board of mediation, gathered about the secretary of labor, would be the proper plan of governmental activity—certainly it would be better than the present helpless plan—which is, really no plan at all.

As the East Sees the South

The lynching of three negroes by a mob of 500 men at Kirvin leaves Texas no defense, declares the New York World in the following editorial:

"It was not only a deliberate crime, it was plain barbarism. There will be, of course, the usual efforts to excuse the people of Kirvin for burning the negroes at the stake by pleading that in the circumstances they were excusable. Mob murder can not be justified.

"But in the end, what will the community of Kirvin do for the vindication of the law? Will it shield the leaders in the perpetration of this horror and save them from punishment? It must know that tolerance of lynching breeds lawlessness, and that by it Texas stands disgraced in the eyes of the world."

PLOVER WHIPS MILLADORE ON MILLADORE FIELD, 7-5

The Plover baseball team defeated the Milladore team at Milladore on Sunday, 7 to 5. The pitching of Koltz for Plover, getting 14 strikeouts, was a feature of the game. Everett Russell, Plover third baseman, made a star catch of a high fly back of third base. Dukavage caught for Plover.

Score by innings:

Stevens Point	00100002 0—3
Waupaca	00211300x—7

Summary: Two base hits, T. Pope, Sorenson (3), Groh (2), Tweed; sacrifice hits, Normoyle; double plays, Logan to Tweed; Bases on balls off Logan one, off Sorenson none; struck out by Logan, seven, by Sorenson six; umpires, Cornwall and Bartkowiak.

Stevens Point's salaried baseball artists went down to meet the Waupaca club of ball tossers at Waupaca on Sunday afternoon, made the slight item of six errors, balled things up generally in a couple of innings and while Sorenson of Waupaca was standing 'em on their heads, the Waupaca club walked home with the game, 7 to 3. It was the third defeat in a row for Stevens Point.

Sorenson, the tall heavy gentleman who seems to know how to twist the horsehide over the plate, not only kept the eleven hits he gave Stevens Point fairly well scattered, but he went a long way toward winning the game with three two baggers which he gleaned off the faltering delivery of Logan, the Stevens Point moundsman.

Make Six Errors

Logan was nicked for one more blow than was allowed by Sorenson, but the hits he gave were healthier than the more puny safeties gleaned off Sorenson's offerings. To make the job more difficult for Logan were the six mistakes and seeming inability of the outfield to get under the hits scattered in their direction.

The jumping of the club by Jordan and Kubiak, catcher and first baseman, weakened the Point team considerably. Jordan has been holding Logan's twisters since the first game of the season, while Kubiak came with the Point to bolster up a weak spot in the local infield for the first time in the Mosinee game. That there will be some new faces on the Point club in the game with Mosinee at Mosinee on Sunday may be prophesied with a considerable degree of success. Benton of Waupaca, who caught several games for Stevens Point last season, was behind the bat Sunday, while Tweed, a local aspirant for a job with Stevens Point, worked at first. Tweed is weak on grounders but took all his chances on the first station without an error. The only members of the local aggregation who failed to make an error were Searles, who had no chances, Logan and Tweed. Everybody else flung up one miscue.

Groh Doubles

Stevens Point scored first, making one tally in the third. Schultz hit, Normoyle sacrificed him to second and Groh scored Schultz with a healthy two sack wallop to left field. It was Groh's second double in succession. Waupaca jumped into the lead which it maintained to the end in its half of the third. Sorenson got the first of his three doubles in this inning, being the first man up. His example was followed by T. Pope who smacked the ball for two bases, scoring the pitcher. With two down Shambeau hit a short fly to right. Schultz made a long run, grabbed the ball and dropped it. The second run came in on Schultz's error.

Waupaca scored a run in each of the fourth and fifth, and finished circuiting the bases with a grand finale of three in the sixth. Sorenson's double and one single by Eimmerman seemed the only excuses for three runs in this stanza, but added to two errors in the infield, overthrows, and punk playing all around, fans on the benches wondered why Waupaca didn't score more.

Two Run Rally

With the score seven to one in the eighth, Stevens Point started a rally that almost was. Groh hit, stole second and scored on a bingle by Gustin. Searles hit, scoring Gustin, but the side was retired and the rally died when Searles was caught at second trying to make two bases on the blow. The ninth was uneventful. Things seemed to hum when Tweed hit, but he was caught napping off first and the fans started to get up and go home. The side was retired in short order.

Jottings

Waupaca had the breaks of the game Sunday afternoon. Outfield flies never went anywhere except to the immediate vicinity of the outfielders.

Waupaca's outfield would make a better location for an obstacle race than the outer garden of a baseball field. It is full of little hills and vales, and boulders are strewn in critical positions.

The Pointers will take a trip to Mosinee next Sunday afternoon to go up against the hurling of Steg, the papermakers' hurler, in the third of the three game series. The series is even at the present time, each team having won one game by the margin of one run.

PROMINENT MERCHANT OF ROSHOLT EXPIRES

Death Claims Jens L. Jensen and Hundreds Attend Services at Lutheran Church

(From Saturday's Daily)

Jens L. Jensen, owner of a big merchandise store at Rosholt and one of the best known residents of northeast Portage county, died at his home in that village last Sunday morning and was buried on Wednesday, services being held at Concordia Lutheran church at 2 o'clock, Rev. G. Peterson officiating. The church was far too small to hold the large number of people who came to pay their last respects. Members of the Rosholt E. F. U. lodge attended in a body.

Mr. Jensen was born 52 years ago the 4th of July at Rodvig, Denmark, and came to America when 20 years of age for a few months he worked as a farm hand in Nebraska, then came to Wisconsin and followed the calling of fisherman and sailor on the great lakes. Before coming to Rosholt in the fall of 1900 he attended a business college at Green Bay and clerked in stores in that city.

Starting in a small way, his business rapidly expanded and a few years ago he found it necessary to erect a large brick business building at Rosholt in which to display his stock of goods. W. L. Selmer has been a partner for the past several years under the firm name of J. L. Jensen company.

In 1901 Mr. Jensen was appointed postmaster and filled that position continuously until a few weeks ago.

Surviving are his widow and three sons and a daughter, Archibald, Oswald and Winifred and Viola Jensen.

GRADUATE OF THE NORMAL IS DELEGATE TO BOSTON

Local friends of Miss Mary Richards, a teacher in the Minneapolis schools, will be pleased to hear that she has been chosen as one of seven teachers in that city to represent Minneapolis at the National Education Association gathering to be held in Boston in July. Aside from the honor it will be an enjoyable outing the more because all expenses of the trip will be paid by the Minneapolis Teachers' association. Miss Richards, whose home is at Eagle River, graduated from the Stevens Point Normal in 1916.

BODY RESIGNS POSITION WITH LOCAL CHAMBER

Secretary Leaves City and Successor is to be Named at Once

F. Leslie Body, for the past two years secretary of the Stevens Point Chamber of Commerce, has resigned his position and with his family left the city Saturday. He has made no definite business plans for the future.

A successor to Mr. Body is to be named at once and it is hoped that he can arrive to begin work on July 1. The Chamber board of directors is arranging to have the position filled promptly so that the work of the organization may be continued without interruption.

Miss Seibt in Charge

Miss Pearl Seibt, assistant secretary at the Chamber offices, will be in charge until the new secretary arrives and takes over his duties.

Mr. Body's resignation was tendered three weeks ago at a meeting of the board of directors and was accepted by that body at a meeting this week. Besides his position with the chember, he has been secretary of the Stevens Point Hotel company, a position which he also relinquishes.

Made Hotel Possible

During his two year residence in Stevens Point Mr. Body built up an active Chamber of Commerce with a large membership. His greatest effort during the past year was devoted to the activities of the Stevens Point Hotel company, he having done more than any other man to make possible the construction of Hotel Whiting here. He was also active in the interests of the white way, which was installed this winter, in the armory-sales pavilion building and in the movement for the city's purchase of the water plant.

TO PUT FIVE LIGHTS ON ROAD AT M'DILL

Illumination Planned at Night on Curves in Highway 10 Near Pulp Mill

Five electric street lights will soon be erected on highway 10 at McDill, to make travel for automobilists and pedestrians safe during the night time, it was stated Saturday by D. H. Parks, chairman of the town board of Plover, in which McDill is situated.

The lights have been contracted for and will be erected as soon as material is received and formalities incident to their erection have been fulfilled.

They are to be placed at the most important points in the road through McDill. One light will be placed some distance below the first turn in the road on the way to Stevens Point, another will be placed at this turn, one will be erected south of the south bridge, near a slight turn in the road, a fourth will be on the north bridge, and the fifth on the road near the top of the hill.

The lights were contracted for by the town to protect drivers of cars, and people who must walk across this stretch on foot. There are several turns in the road, the travel is heavy, and the lights at night, it is believed, will make the road less dangerous.

Residents of McDill, when the lines for the electric street lights are put in, will be able to secure light and power for their homes. There is at present a power line running from the city to the Stevens Point Pulp and Paper mill at McDill, and this will be extended to take care of the lights and at the same time take care of possible consumers in McDill.

The electric power will come from the lines of the Wisconsin Valley Electric company.

FARMER IN BELMONT HAS NARROW ESCAPE

Albert Brunker Pinned Under Big Boulder But Hired Man Digs Him Out

"Albert Brunker, prominent town of Belmont farmer, had a narrow escape from death recently while sinking a large stone on his farm," says the Portage County Press of Almond.

"Mr Brunker and his hired man had dug around the stone, which weighed several tons, and Mr. Brunker was down in the hole undermining the stone to let it down, when it gave way and fell, striking him against the chest and pinning him between the earth and stone. Only by the quick hard work of the hired man who dug the dirt from his back, giving him a chance to breathe, was his life spared.

"He then proceeded to dig Mr Brunker out which was no little effort. Mr Brunker was quite badly bruised about the chest and arms but is able to be about although it will be some time before he recovers from the effects of the injury. In speaking of the incident he said, 'Well, that is one method of disposing of stones that has been adandoned on my farm.'"

RETURNS TO THE WEST

Margaret Roberts to Teach During Summer Term

Miss Margaret Roberts, who has been spending a week at the home of her mother, Mrs. Fannie Roberts, 818 Division street, left here Sunday on her return to Bellingham, Wash., where she is an instructor in the educational department of Bellingham State Normal school.

Miss Roberts will teach during the summer session, when an enrollment of 1,350 is expected. Attendance there during the past year has been upwards of 1000. When the regular session reopens in September this school will have as its president Dr. Waldo, now of Kalamazoo, Mich., and who is of national reputation as an educator and executive.

This year's senior class at the Bellingham school includes a former Stevens Point girl, Margery Oberlatz, daughter of Mr. and Mrs. R. A. Oberlatz, who moved west a few years ago.

Miss Roberts expects to come back in August for a short visit.

MISS LUCILLE BERARD DECIDES TO RETURN

Reconsiders Supervising Position and Accepts Offer of County Committee

Miss Blenna Hamilton of Hancock has declined the position of supervising teacher in Portage county to which she was recently elected, and the committee on common schools has induced Miss Lucile M. Berard, who resigned the position, to reconsider her action. Miss Berard has decided to continue the position for another year, finding that she can complete a supervising course at the State Normal, which she had planned to take, during the coming summer term.

Miss Hamilton is at present teaching in Minneapolis and notified the Portage county committee a few days ago that she would not accept the supervising position here. It is understood that she is considering another teaching offer elsewhere.

Miss Loretta Springer of this city is the other supervisor elected for the coming school year. She and Miss Berard will work under the supervision of Miss Alice M. Gordon, county superintendent. Miss Regina H. Somers, one of the present supervisors, has resigned her position.

REPORT TIME CHANGE IN SOO TRAIN NO. 5

Oshkosh Association of Commerce Announces 45 Minute Later Schedule

Soo passenger train No. 5, which now arrives here at 4:45 o'clock in the afternoon and leaves at 4:59 will soon be arriving here half an hour or more later each afternoon, according to reports.

According to an announcement by Robert Hodson, traffic manager of the Association of Commerce at Oshkosh, the change will go into effect on June 4, and was made at the solicitation of the Oshkosh Commerce association. The train, which left there at 2:20 each afternoon, will, under the new schedule, leave at 3:05 o'clock, or 45 minutes later. If this schedule is maintained along the line, the train would not leave here until 5:44 each afternoon.

Local Soo line officials interviewed by the Journal stated that no official announcement of the change had been received at the local division offices. The reported change was not denied, however.

RETURNS FROM EUROPE

Wisconsin Rapids Man Says Tourists are Flocking Overseas

E. C. Rossier of Wisconsin Rapids has just returned from a six weeks' trip to France and Switzerland. He accompanied his sister, Mrs. Celia Garrison, and Mrs. R. J. Mott and Miss Viola Nash to Europe. They went to Bex, Switzerland, where they were guests at the diamond wedding anniversary of Dr. and Mrs Henri Rossier, uncle and aunt of Mr. Rossier and Mrs. Garrison.

"Europe and particularly France and Switzerland are crowded with tourists, mostly Americans," Mr Rossier stated. "The transatlantic liners are jammed with tourists leaving New York while most of the boats are coming back practically empty. There is a great tourist movement to Europe." He predicted considerable trouble on the part of many Americans who went overseas when they attempt to return because many of them have failed to make reservations for the return passage.

MASONS TO TENDER BANQUET, RECEPTION IN HONOR OF JUDGE

Recognition to be Paid to Local Judge Now Holding Highest Office in Grand Chapter of Wisconsin

Forest chapter No. 34, Royal Arch Masons, is planning a reception in honor of Judge W. F. Owen, who was recently elected to the highest office in the Grand Chapter of the State of Wisconsin, that of grand high priest. This honor has never before been accorded an officer of the local chapter.

The reception is to be held at the Masonic temple on the afternoon and evening of Saturday, June 10. The program includes an automobile ride about the city at 5:30 o'clock for visitors and local members, and a 6:30 o'clock dinner in the banquet hall of the temple, to be followed by speeches, music, community singing and a general mixer.

It is expected that there will be a number of visitors present, including several officers of the grand chapter.

Judge Owen, besides being grand high priest of the Grand Chapter, also holds the highest Masonic office in Evergreen lodge No. 93, F. & A. M. of this city. He is worshipful master of that body.

TO GO TO EUROPE

Local Physicians Attend Banquet For Marshfield Doctors

Dr. F. A. Southwick, Dr. J. D. Lindores and Dr. C. von Neupert, Jr., were at Marshfield Wednesday evening where they attended a banquet given by the Marshfield clinic in honor of Drs. Karl Doege, senior and junior.

The affair was in the nature of a farewell for the two physicians, who are members of the clinic at Marshfield. They will leave in a short time on a year's trip to Europe, which will also be a wedding trip for Dr. Karl Doege, Jr., who is to be married within a few weeks. Dr. Karl Doege, Sr., and his wife and their son Paul, will accompany Dr. and Mrs. Doege, Jr., on the trip.

The two physicians will study while in Europe, and Paul, their son and brother, who is now a medical student at Cleveland, Ohio, will also spend some time in medical work there.

NINETY YEARS OF AGE

Father of Rev. H. J. Ehr Celebrates His Birthday Anniversary

Hilarius Ehr, for the past year a member of the household of his son, Rev. H. J. Ehr at St. Joseph's parsonage, was 90 years of age on June 1 and the unusual event was appropriately observed by a large gathering of Mr. Ehr's friends on Thursday evening.

The celebration took place at the old homestead in Lewiston township, a few miles out of Portage, now the home of a daughter, Mrs. Martin Abraham. Mr. Ehr returned there last week for a short visit. In a detailed story of Thursday's doings the Portage Register-Democrat said:

"It was a ninetieth birthday and whether in chance or in keeping with his age, ninety plates were served at the supper table. And Mrs. Frank Dusling gave the finishing touch in furnishing the birthday cake with ninety candles."

Mr. Ehr set out in the early morning to celebrate in his own way and in memory he went back to the days of long ago in Germany, when as a young man he was engaged in the trade of basketry. On this birthday morning, in pastime, he constructed three baskets, one a large two bushel basket, a second of one bushel and the third a lady's workbasket.

This exercise only gave him the more zest to join in with his old friends and neighbors when they surprised him in the evening. There was nothing in the joy and festivity and hilarity of the evening to indicate that it was an old man's celebration. It might easily have been taken for a repetition of a party of his youth.

Mr. Ehr is a veteran of the Civil war, serving under Captain James O'Neil, in Company H, 11th Regiment, Wisconsin Volunteers. Since the death of his wife last summer, he has been living with his son in this city.

BOY IS BADLY INJURED

Dickie Pollard Suffers Fractured Elbow in Jump From Fence

Dickie Pollard, son of Mr. and Mrs. T. B. Pollard, 111 Church street, suffered a fractured right elbow on Friday afternoon when his foot became caught as he jumped from a fence, causing him to forcibly strike the ground with that arm in the fall. The accident occurred in the yard at the J. E. Hegg residence, 538 Main street. An X-ray taken Friday evening disclosed that the elbow had been dislocated and it was returned to its proper position. Dickie, who is a pupil at the Washington building, is eight years of age. It will probably be a month or more before he completely recovers from his injury.

School Picnic in Linwood

One hundred people were in attendance at a picnic on Friday at Kaukaskie's Grove, given by the teacher and pupils of the LaFollette school, District No. 1, Linwood. Baseball and other athletic sports occupied the time of the participants, and prizes were given to the winners.

Her duties as teacher in this district completed, Miss Amelia Cherwinski is planning to spend her vacation with relatives. She will motor to Woodruff with her parents on Sunday, meeting relatives there and accompanying them to Chicago. Miss Cherwinski will return to Stevens Point before June 19 to enroll for the summer term at the State Normal.

Moose Surprised

Local members of Stevens Point Moose Lodge No. 1572 who attended Friday evening's meeting were pleasantly surprised at Odd Fellow's hall on the South Side when 20 members of the Wausau Moose organization arrived. The local meeting was in session when the Wausau men reached the hall at 9 o'clock with a fine lunch, which was immediately served. The visitors stayed until 11 o'clock, enjoying an informal "smoker" in the meantime.

Russell Pett Married

Miss Lydia H. Scherck, daughter of Mrs. Nettie Scherck of Fond du Lac, and Russell H. Pett, also of Fond du Lac, and a brother of W. B. Pett of this city, were married last Thursday at the home of the bride's mother. The Rev. W. P. Leek of Fond du Lac read the service in the presence of immediate relatives of the couple. Miss Theresa Lange and Eugene Scherck, brother of the bride, were attendants.

The bride wore a gown of brown taffeta and a corsage bouquet of Columbia roses. Miss Lange wore a frock of taupe canton crepe and a corsage bouquet of pink sweet peas.

After the ceremony 12 guests were served at supper at the home of the bride, which was decorated with bouquets of cut flowers.

Mr. and Mrs. Pett left on a week's honeymoon and will be at home after July 15 at 105 West Division street.

The groom is employed as a clerk in the Soo line office at North Fond du Lac. His bride has been employed for the past eight years as instructor for the Wisconsin Telephone company.

Miscellaneous Shower

A miscellaneous shower and surprise party took place at the home of Mr. and Mrs. George Rogers, 418 Oak street, Friday evening in honor of their daughter, Mrs. John Janikowski, who was recently married. Many gifts were presented the young couple by about 30 friends who attended. Refreshments were served.

Serbin-Glazier Wedding

Stephen E. Serbin and Miss Helen Glazier were married at St. Stanislaus' church Monday morning at 8 o'clock, Rev. Anton Malkowski officiating. The double ring service was used. Martin Serbin of Ironwood, a brother of the groom, served as best man and Miss Catherine Glazier attended her sister as bridesmaid. The flower girl was Frances Serbin.

Dinner and supper were served at the home of the bride's mother, Mrs. Jos. Olchaski, 512 Patch street, followed by a reception later in the evening. Friends to the number of two hundred attended the festivities.

Miss Helen wore white crepe de chien, trimmed with pearl beads, and carried a shower bouquet of white roses and sweet peas.

The bridesmaid's dress was of pink canton crepe and her flowers were pink roses and sweet peas. Frances was dressed in white organdie with hat to match and carried an arm bouquet of assorted flowers.

Friends who came from a distance included Mr. and Mrs. Martin Serbin, Sr., Martin, Jr., John and Frances Serbin of Ironwood, Catherine Glazier of Minneapolis and Mr. and Mrs. Peter Olchaski of Wisconsin Rapids.

Mr. Serbin, the groom, is a Soo line switchman and has been employed in the local yards for about three years. His bride has lived here since childhood and is numbered among our most popular young women. They will live for the present at 512 Patch street.

NEW SECRETARY IS CHOSEN FOR LOCAL CHAMBER

Morgan Chase of Marshfield Named and Will Begin Work on July 1

Morgan Chase of Marshfield has been elected secretary of the Stevens Point Chamber of Commerce. He will fill the vacancy created by the resignation of F. L. Body and will arrive in Stevens Point to begin his new duties on or before July 1.

In selecting Mr. Chase for the position, the Chamber board of directors feels that it has secured the services of a man possessing splendid qualifications. He was the first secretary of the Chamber at Marshfield, a position he successfully filled, and also did excellent work in a similar position at Sarnia, Ontario, Canada.

Wires Acceptance

Mr. Chase is at present traveling in Illinois territory for a Marshfield manufacturing firm but will leave that work to accept the Stevens Point position. A wire of acceptance to an offer which had been made him by the local Chamber board has just been received from Rock Island, Ill.

Is Ex-Service Man

The new secretary, since leaving the field of work which he will now reenter, has maintained a keen interest in it and has attended two summer sessions of the American City Bureau, an organization which promotes and organizes chambers of commerce and other similar civic bodies. He is an ex-service man of the World war, is married and has a family. Mr. Chase came to Stevens Point two weeks ago to meet members of the board of directors and left a favorable impression with them. Decision to secure his services if possible was reached soon afterward, but his acceptance of the position was not received until Monday.

Plan Active Program

Officers and directors of the Chamber, in filling the vacancy in the position of secretary, intend to have Mr. Chase continue the activities of the organization, which has a large membership, and are planning an ambitious program of work for the fall and winter months. More members will be solicited and the Chamber will work to interest all citizens as active members who have the interest of the city at heart.

RAYMOND ROSE LOSES HIS LIFE IN BIG PLOVER

Steps Backward Into Deep, Swift Water Below Dam In River

Stepping backwards off an abutment on the bridge over the Big Plover river at Jordan and plunging into the swift, deep water below the dam there, Raymond Joseph Rose, twelve-year-old son of Mr. and Mrs. Peter Rose, 313 Plover street, was drowned Thursday evening at 7:30 o'clock.

Two boy companions, Michael and John Heidinger, sons of John Heidinger, who had been fishing with him, stood on the bank unable to help while he made an attempt to swim to shore after he had fallen in. The swift water in the channel below the dam carried the boy downstream and while the Heidinger boys watched, he went under.

Father Fishing Nearby

Peter J. Rose, the boy's father, was fishing in a boat with W. W. Owen in the mill pond above the dam, and when a yell from the banks of the channel notified them that a boy had fallen in, they rowed to the shore close by and went to the spot. Efforts were immediately made to find the body, but because of the swift water were unsuccessful.

The gates of the dam were immediately lowered when it was found that it would be impossible to find the body in the swift water, and when the flow of the stream had been cut off, Sevrin Marchel, who lives at Jordan, brought the body to the surface by diving.

First aid for the drowning was given as soon as the body was brought from the river, about seven minutes after he fell in, but heart action could not be revived. Only a small amount of water was found in the boy's lungs, which gives rise to the supposition that his death may have been caused by heart failure brought on by the shock. The water in the river was not extremely cold, it is stated.

Bring Pulmotor

As soon as the drowning became known Coroner H. D. Boston was notified by telephone and in company with Dr. F. A. Southwick, brought the city pulmotor to the scene, making the distance in 13 minutes. The pulmotor was used for nearly half an hour to revive the boy, without effect.

Mr. Rose and Mr. Owen, with the two Heidinger boys and the drowned lad, drove to Jordan earlier in the evening to fish. The entire party was at one time on the mill pond, fishing for pickerel, and when the three boys tired of the fishing there, they were put on shore to fish for bullheads. Mr. Rose and Mr. Owen rowed out into the pond a short distance and resumed their fishing, while the three boys dropped their lines from the bridge. From the bridge they moved in a short time to the abutment or pier beneath. The Rose boy was leaving the abutment when he fell in, it is stated.

Pupil at St. Joseph's

Raymond was 12 years of age on September 16, 1921, and was born in Stevens Point, being the oldest child of Mr. and Mrs Rose. He was a pupil at St Joseph's school, having this year finished the seventh grade.

Four sisters, the oldest 11, survive, they are Marie, 11; Elizabeth, six; Eliene, three; and Mary, seven months.

The funeral was held Monday at 9 o'clock at St. Joseph's church, Rev. H. J. Ehr officiating. Burial followed in St. Stephen's cemetery.

Martin R. Paulsen Wins Nomination For Secretary of State

Martin R. Paulsen, a graduate of the State Normal of this city several years ago, and who has since considered Stevens Point as his home, was nominated for secretary of state at the citizens' republican state conference in Milwaukee on Thursday.

While not active in politics, Mr. Paulsen has been a leader in anti-LaFollette efforts at Madison, where he is a law student at the University of Wisconsin, being president of a Republican club composed of University students.

He served with the marines during the World war and for six months was stationed at Dublin, Ireland, attending Trinity college during that time. At the close of the war and after his honorable discharge from service, he returned to Stevens Point and completed his course of study at the Normal.

In the spring of 1917, while still a student here, Mr. Paulsen was Stevens Point's orator in the state contest held at River Falls and won second honors. He also displayed considerable ability in athletics and was a track man of merit. He is an older brother of Paul Paulsen, who was graduated from the Normal school here a couple of years ago and who also took a prominent part in forensic and athletic work at the institution. Both young men worked their way through school in Stevens Point and were numbered among the best students in their classes.

MANY SUNDAY SCHOOL WORKERS VISIT CITY

Annual Convention of Portage County Association is Held at Methodist Church

The 26th annual convention of the Portage County Sunday School association, held at St. Paul's Methodist church on Saturday, was largely attended, 150 people being present at the several sessions. Fourteen out of 26 schools were represented.

The election of officers resulted in the choice of the following: President, Mrs. J. F. Maxfield, Plover; Vice-president, Mrs. O. W. Neale, city; Secretary, Mrs. R Yorton, Plover, Treasurer, Mrs. L. A. Keyser, Coddington; superintendent of children's department, Mrs. F. M. Playman, city; superintendent of adults' department, Beecher Jacks, city; superintendent of administrative department, Prof. T. A. Rogers, city, and superintendent of educational department, Mrs. W. J. Dumbleton, city.

Although elected to the presidency, Mrs. Maxfield afterward announced that she will be unable to serve and a successor is to be named in the near future, the matter having been taken up with state officers. A vacancy also exists in the office of superintendent of the young people's department, which was not filled when the other officers were elected Saturday.

Interesting programs were carried out during the morning and afternoon and a luncheon was served at the church at noon by women of the Methodist congregation. Annual reports were submitted from 18 schools in the county and showed a total of 1,450 people attending Sunday school in that number of schools.

Among those present from away who appeared on the convention program were Miss Mabel L. Bailey, superintendent of the educational department of the Wisconsin Sunday School association, and J. L. Rogers, state secretary. An address of welcome by Prof. T. A. Rogers at the morning session was responded to by Mrs. Keyser of Coddington. Rev. C. S. Pier of this city and Rev. Ernest Leuenberger of Liberty Corners were other morning speakers.

The afternoon session was divided into two sections, one for adults and one for children. In the adult division Rev. A. L. Tucker of Almond delivered an inspiring lecture on "God's Challenge to the Church." Rev. R. A. Barnes and Prof. V. E. Thompson of this city also gave excellent talks. Demonstration methods were well put in by the children's division by Mrs. F. M. Playman, an illustrated story given by Miss Jean Seager and a primary class demonstration in action by Miss Esther Benson.

1923 CONFERENCE OF SCOUTS SLATED FOR STEVENS POINT

Sixteen Local Leaders Attend Meetings at Marathon Park at Wausau on Friday and Saturday

Scout officials in conference at Wausau on Friday and Saturday, at the closing sessions Saturday evening, voted to hold the annual spring conference of boy leaders of the Wisconsin River valley at Stevens Point in May, 1923.

In all probability the conference will be held at Camp Chie-Gah-Gah-Mih on Sunset lake in the town of New Hope, it was stated by Scout Executive A. C. Jones today. One hundred were in attendance at the meetings Friday and Saturday at Wausau, and double that number are expected to attend the 1923 conference. Sixteen scout officials of Stevens Point attended.

J. P. Freeman, national field organizer of the Boy Scouts of America, had charge of the conference.

HUNDREDS OBSERVE MEMORIAL DAY HERE

Theatre is Filled When G. A. R. Program is Carried Out

Hundreds of Stevens Point people, in spite of inclement weather, attended the services held Tuesday morning in honor of United States soldiers and sailors who have passed away. Others paid tribute to dead soldiers and sailors in other ways, and relatives and friends were remembered during the day by flowers placed upon their graves in local cemeteries.

The public Memorial services started at 10:30 o'clock at the soldiers' and sailors' monument at the court house square. After a parade led by Weber's band, and which contained a caisson with a casket covered with an American flag, Civil war veterans, and members of the G. A. R., members of the American legion, Spanish American war veterans, local national guard units, the Consolidated band, ex-service men from River Pines sanatorium and local Boy scouts, the regular W. R. C. Memorial day ritual was carried out.

At the Majestic theatre the program announced last Saturday was carried out, with the exception that Karl W. Pfiffner read "General Logan's Orders," in place of L. N. Jenkins, a reading by orothy Dunegan was omited, and a tableau by local Boy scouts was given. The theatre was filled with people when the program was given.

Attacked By Bull Aged Junction Man Is Fatally Injured

Albert Miller, aged 72, whose home was in what is known as the German settlement, a few miles distant from Junction City, died at 4:30 o'clock Sunday afternoon from the effects of injuries he received last Thursday when attacked by a vicious bull in his field.

The animal knocked Mr. Miller to the ground and gored him in a terrible manner, crushing his stomach and abdomen and making long cuts on both sides of his face. Other members of the family came to the aged man's rescue and succeeded in driving the beast away. Mr. Miller was carried to his home but his injuries proved so severe that little could be done for his relief.

Deceased is survived by the widow and several adult children.

Funeral services will be held at St. Paul's Lutheran church, Eau Pleine, at 2:30 o'clock this afternoon, with interment in the adjoining cemetery.

RESOLUTIONS ADOPTED

Sunday School Officers Voice Expression of Appreciation

The following resolutions were adopted by the Portage County Sunday School association at its annual convention in this city last week.

"Resolved, that we the undersigned desire to thank the president of the Portage County Sunday School association, Prof. O. W. Neale, and Miss Loretta Schilling, the secretary, as well as the rest of the county officers, for their valuable and faithful service rendered in behalf of the Sunday school work in Portage county.

"Also we desire to thank the state workers, Miss Mabel L. Bailey and Mr. J. L. Rogers for their presence with us and for their inspirational instructions rendered us during the convention.

"We desire to thank most heartily for the splendid lunch served by the ladies of the Methodist Episcopal church of Stevens Point, and for the kind hospitality extended by the pastor, Rev. Mr. Barnes and his wife to the convention.

"Let it be the expression of the 28th annual convention of Portage county that it desires to voice its hearty appreciation of the assistance rendered us through the Stevens Point Journal in carrying the invitation of welcome to the many homes in the county.

"Respectfully submitted,
"Mrs. F. M. Playman,

LEAVES FOR BROOKLYN

Donald Fox to Re-join Navy After a Visit at Meehan

Donald Fox, who had been enjoying a 25 days' furlough at the home of his parents, Mr and Mrs B. S. Fox, Meehan, left here Sunday afternoon enroute to Brooklyn, N. Y., to rejoin the battleship Wyoming.

Within a week after the United States entered the World war in 1917 Donald enlisted for service and was sent to Great Lakes near Chicago, but remained there only a couple of days when he and several companions were given transportation to the east. The Meehan boy was assigned to the Wyoming and has been with this ship ever since. For a number of months they were in the North Sea, waiting to do battle with the German fleet but the latter did not appear. Since the close of hostilities the Wyoming has been in many ports of the world and is expected to visit the Philippines within another year.

Mr Fox has been promoted to ship's postmaster, a responsible position and one which commands a very nice salary.

BIG PICNIC PLANNED BY SWISS BREEDERS

Central Wisconsin Association to Hold Outing at Farm in Auburndale

The North Central Wisconsin Brown Swiss Breeders association will hold its annual meeting and community picnic at the farm of Wilmer Drollinger of Auburndale, Thursday, June 8. The association comprises the Brown Swiss breeders of the whole north central section of the state, and it is expected that the picnic will be attended by men from Clark, Taylor, Marathon, Wood, Lincoln and Portage counties.

The Brown Swiss breed, although it has not been as popular as the Holstein and Guernsey in this section of the state, has been rapidly gaining a foothold, and Charles Wundroh of Marshfield and Wilmer Drollinger of Auburndale have two of the finest herds in the state. The Wundroh herd won eighteen first prizes in the state fair at Milwaukee last year, and the Drollinger cattle are also well known for their quality, some of the animals having set the highest production records ever made for the breed.

The outing at the Drollinger farm next week wil serve as a get-together meeting for the Holstein men of Auburndale and vicinity, and one of the features will be a series of races between the Brown Swiss and Black and White breeders. There will also be a stock judging contest, and a sale of pure bred Brown Swiss heifers.

R. S. Hulce of the College of Agriculture at Madison will be present and will make an address, and there will also be talks by County Agents A. H. Cole of Lincoln county, William Rogan of Marathon, and R. A. Peterson of Wood county.

FINISH POURING BRIDGE CONCRETE

Finding of Clay in Gravel Pit Will Cause Slight Delay in Road Construction

Pouring of concrete in the forms for the new bridge that is to span the stream at the foot of the hill near the Whiting-Plover paper company mill over which the new concrete road to Highway 10 will pass, has been finished, and work will start soon on the laying of concrete on the road.

A delay of a week in construction was caused when clay was found in a gravel pit opened by the construction company on the west side of the Wisconsin river near the paper mill. Finding the clay made a shift in the excavating machinery necessary, and this work will take some time. The gravel taken from the pits will be hauled to the road in trucks, which will travel by way of the Clark street bridge in the city.

FROSTS 5, HANCOCK 2

Local Baseball Team Adds Another Scalp to Belt

The Frost Fishing Tackle company baseball team added another scalp to its belt Sunday afternoon at Hancock, winning from the Hancock village team by a 5 to 2 count.

Jakusz of the fishermen held Hancock to six hits, practically all of them in the first innings. The game was a five to nothing shutout for the Frosts until the ninth when Hancock rallied and gained two runs. Strike in left field for the Frosts made three difficult catches.

Score by innings:

		R	H	E
Frosts	002100110	5	8	2
Hancock	000000002	2	6	2

Batteries: Jakusz and Wachowiak; Leck and Sigorn.

AMHERST BEATEN

Wisconsin River Takes One-Sided Game by 16 to 3 Count

Hitting the delivery of Hickey of Amherst for 15 blows, the Wisconsin River Paper and Pulp company baseball team whipped the Amherst club, 16 to 3, Sunday afternoon at their diamond at Whiting.

Kryshak, the papermakers' pitcher, fanned 14, and gave only six hits. Hickey struck out four. The Wisconsin River team will play the Consolidated team of Wisconsin Rapids next Sunday at Whiting.

Batteries: Kryshak, Pierce and Krombs; Hickey and Jacowski.

HIP NOT BROKEN OF WOMAN INJURED ON WAUSAU ROAD

[illegible] of x ray pictures taken of the injuries to Mrs Julias Kowalski Hull injured Sunday evening when the buggy in which she and her husband were riding was struck by a car driven by Pat Brosa of Wausau, showed that no bones in her body were broken. It was at first thought that her hip was fractured. Mrs Kowalski was much improved today and will be able to leave St Michael's hospital, where she is a patient, in several days.

HIGH SCHOOL ALUMNI BANQUET ON JUNE 9

Ticket Selling Campaign Announced in Effort to Get a Large Attendance

Friday evening, June 9, will be an important date for High school alumni. The high school alumni banquet will be held that evening in the Parish house and from present indications promises to be well attended.

There are 396 high school alumni in the city. The committee in charge is making every effort to make this banquet 100 per cent in attendance, interest, and real enthusiasm and earnestly requests that every alumnus respond by buying a ticket and attending the banquet.

Otto Von Neupert is ticket sales chairman and will keep a score board of sales in the First National bank window. Watch this board carefully to see how many classes reach the 100 per cent mark.

The tickets are being sold by the following alumni, each selling for his own class: Mrs. Wing, L. R. Anderson, Miss Park, N. J. Nichols, G. S. Gunderson, Miss Ball, Mrs. Bacon, Miss Frost, Miss Grace Arnott, Miss Wick, Miss Dunegan, E. L. Martin, Mrs. Spalding, Miss Skinner, Mrs. Porter, Mrs. Besnah, Miss Clifford, J. V. GETS TWO YEAR SENTENCE IN GREEN BAY REFORMATORY BUT WILL BE GIVEN PAROLE

Anton Kropidlowski, bound over to circuit court after being found guilty on a charge of abandonment, was sentenced to two years in the reformatory in Green Bay by Judge Byron B. Park in circuit court Wednesday afternoon. Kropidlowski was promised a parole on application.

He was found guilty of bastardy at a recent term of circuit court and was arrested for abandonment when, it is alleged, he failed to contribute to the support of his illegitimate child.

BAD FIRE AT WAUTOMA

The entire business section of Wautoma was imperiled when fire destroyed the feed and grist mill of Louis Chaimson. The flames were not subdued until the Red Granite fire department came to the rescue, after a record run of thirteen miles in a few minutes. Several citizens were overcome by smoke in fighting the fire, which was caused by the backfiring of a large gasoline engine used in the mill.

ANTIGO POTATO SHIPMENTS

Four hundred and eighty-two cars of potatoes were shipped from Antigo during the 1921-1922 shipping season, which included 10 months, from last August to May. The heaviest shipments were made in September when the total for the month was 189 cars. Only five cars were moved in the month of May.

RURAL MAIL CARRIERS TO CONVENE IN AUGUST

Two Hundred Delegates From Many State Associations Going to Wisconsin Rapids

The annual convention of the state association of rural carriers will be held in Wisconsin Rapids August 14, 15 and 16. Two hundred delegates from the various county associations throughout the state will be present, as well as a large additional number of carriers not delegates to the convention.

A. C. Rockwood of Wisconsin Rapids, chairman of the advertising committee of the association, states that the convention promises to be one of unusual interest, inasmuch as a number of matters of vital importance to the carriers and to the rural free delivery service in general are to come up for consideration.

Both state and county officers of the association are already cooperating with the Rapids carriers association to insure the success of the meeting, and plans for the entertainment of the delegates during their three day visit there are being developed.

SCHOOL BOARD APPROVES NEW BUILDING PLANS

Hopes To Have West Unit Completed by First of December

A new High school unit by December 1 is the aim of the board of education and joint building committee of that body and the common council, as the result of a conference with the architect, Robert A. Messmer, of Milwaukee, held in the council chambers Wednesday evening.

The meeting was called to act upon new plans for the unit, made necessary when previous plans had to be abandoned after bids received upon them and accompanying specifications were found to be far beyond the appropriation available for construction.

Open Bids June 23

The board of education on Wednesday evening accepted the revised plans as submitted by Mr. Messmer and instructed its building committee to advertise for bids and award the contracts if the figures are found to be favorable. It is planned to advertise for bids the first of next week and to open them on the evening of June 23. If contracts are awarded their construction work will begin on July 1.

The architect declares that he is sure the bids will come within the $150,000 which is available for building the new unit, and in his opinion the building can be erected and completed in five months' time or by December 1. The changes authorized Wednesday evening are confined to the plans alone, none being made in the specifications over the former set, as the same kind of material for construction is to be used.

To Include Gymnasium

The new unit as now planned will be built on the west instead of the east side of the present High school building and its main entrance will face west on East avenue. It will include both a gymnasium and an auditorium with a seating capacity of approximately 1,200, and 10 classrooms. It will be in the shape of a rectangle and will be constructed in such a way that classroom wings can be added at some future time.

The architect informed committee members that a battery of from two rooms and up can be added whenever the additional room is needed. He estimated the additional cost of a battery of six classrooms at $27,000. This plan is much more flexible than the east wing proposition which was abandoned, as it permits of expansion and consequent ability to handle an increased school enrollment from time to time.

No Long Flights of Stairs

Two major advantages were pointed out in the revised plans over the east wing unit. The east wing would have been practically a five story building, necessitating use of many flights of stairs by the students, while the new west unit will be only two stories in height, making but one flight of stairs necessary. In the second place, it is pointed out that the west wing can be much more cheaply constructed and still include all of the features of an east unit. The ability to provide new classrooms when needed is considered a valuable feature which solves the only possible problem which confronted committee members. The extensions when built, would parallel the present High school both on the north and south campus, and would eventually enclose that structure. When further facilities are necessary, it will be possible to build a second unit on the site of the present building, and at some later time a third unit farther to the east.

BIG DAM IN LINCOLN COUNTY IS PROPOSED

At the annual meeting of the Wisconsin Valley Improvement company held at its offices in Wausau, the directors voted to build a dam on the Spirit river, Lincoln county, which will cost between $75,000 and $100,000, and will be used almost solely for the storage of water. It is understood that the work will commence as soon as posible. W. E. Brown of Rhinelander was re-elected president of the association.

HEAVY FINE IMPOSED

Louis Kellner, proprietor of a shoe repairing shop at Marshfield, was fined $250 and costs for having liquor in his possession, when arraigned in court in that city. The costs amounted to $40. Kellner paid up after being offered an alternative of three months in jail. Officers who raided his place found several two quart cans of alleged moonshine.

NEW POWER FOR WAUTOMA

The village of Wautoma is now supplied with electric power over transmission lines which connect with the water power plant at Prairie du Sac. This power plant has a capacity of nearly 40,000 horse power.

BIG GIFT TO LAWRENCE

Lawrence college is to receive the sum of approximately $125,000 from the million dollar estate of the late Judge R. D. Marshall of Chippewa Falls upon the death of his widow, it was learned when the will of the late justice was probated in county court at Chippewa this week. The money is to be used as the trustees of the college see fit.

Chicago Police Head Nabbed At Junction On Speeding Charge

Chief Fitzmorris and other high officials of the Chicago police department were detained at Junction City Sunday morning for speeding.

The village speed cop, Val Jashinski, followed the first of the two cars of the chief's party and took the driver into custody after he had hit up a speed alleged to have been 35 miles per hour through the main street of the village.

The chief was given one week to appear before the village justice. He did not disclose his name at first, but afterwards said that he was Chief Fitzmorris and badges which he and other members of the party wore indicated that they were the Chicago officers.

Fitzmorris was on his way to Phillips, Wis., on a fishing trip and jokingly promised to bring the village marshal a mess of fish.

MEMORIAL HOSPITAL UNDER CONSTRUCTION

Buildings Near Madison to be Used Exclusively for Veterans' Bureau Patients

Colonel Charles R. Forbes, director of the United States Veterans' bureau, has announced that the state of Wisconsin has under construction a new $250,000 hospital to be known as Wisconsin Memorial hospital to be used exclusively for Veterans' Bureau mental patients—both men and women—who are residents of Wisconsin.

It will occupy a site of 54 acres at Farwell's Point, about five miles from Madison, and will be under the direction of Dr. Lorenz, a noted psychiatry expert, who is in charge of the Wisconsin Institute of Psychiatry also located at Farwell's Point.

The new hospital will consist of ten separate one story buildings, all of similar design, each of which, it is expected, will house between 45 and 50 patients. The inmates building, the building for disturbed patients and the refactory are already up, and rapidly nearing completion, and the ground has been broken for the administration building. The cottage plan has been followed by the architect, each building being but a single story.

As soon as a sufficient number of buildings are ready for occupancy, 158 Veterans' Bureau mental beneficiaries will be transferred to Wisconsin Memorial from Wisconsin state hospital and Wisconsin Institute of Psychiatry, both of which institutions are located on Farwell's Point within walking distance of the new memorial hospital.

The staff of doctors and nurses will be supplied by the state of Wisconsin.

BUNGALOW GOING UP

New Home for Joe Blinek Being Built on North Division

Work was started Monday on the erection of a frame bungalow, of one and one-half stories, with full basement 26 by 36 feet in dimensions on North Division street. The bungalow will contain eight rooms.

The house is being built for Joe Blinek, who will occupy it with his family when it is completed. It will be fully modern in construction, and will be finished in yellow pine in the interior. A large brick porch is included in the plans. The construction work is being done by Borski Bros.

MORE RAIN IN THE NORTH AND LESS IN THE SOUTH WOULD HELP BADGER CROP

Madison, June 5—A little less rain in the southern part of the state and a bit more moisture in the eastern, northeastern and northwestern districts would make ideal crop growing conditions in Wisconsin, the state crop reporting service says today in its weekly report.

Corn has already been planted but in many localities it has been delayed by the wet soil condition.

Winter wheat is beginning to head, the report says.

Oats is reported in excellent growth.

Tobacco rot is reported in seed beds due to excessive moisture.

Fruit is in an excellent condition.

DRIVE SLOW AT BARABOO

Since several tourists have been arrested and given stiff fines for speeding on trunk highways leading into Baraboo, an attempt has been made to boycott the place. Signs have been placed in several places, reading "Avoid Baraboo." Sauk county has a force of highway patrolmen who have been given instructions to enforce the speed laws strictly.

RECTOR AT THE RAPIDS RESIGNS HIS POSITION

The Rev. Johannes Rockstroh who will complete six years of service as rector of St. John's Episcopal church at Wisconsin Rapids next Sunday, announced his resignation, to take effect next fall. He expects to retire from active service and has accepted an invitation to become private secretary and assistant to Bishop Weller of Fond du Lac.

75 GRADUATES GET DIPLOMAS NEXT THURSDAY

Highest Honor At The High School Awarded to Miss Jeanette Wilson

Announcement is made today of the forty-second commencement of the Stevens Point High school, of commencement events, names of this year's graduates and the winners of scholastic honors.

First honors are awarded to Miss Jeanette Katherine Wilson, daughter of Dr. and Mrs. W. H. Wilson. Second honors go to Miss Edna V. Gear, daughter of Rev. and Mrs. E. Croft Gear. Five students are given honorable mention, Kathleen Clifford, Maud Lauretta Marsh, Kenneth Seeley, Evelyn H. Utes and Annabel Edith Clark.

Miss Wilson's name will be engraved upon a silver loving cup presented to the school last year by the class of 1921. The class voted to donate the cup with the provision that the name of the honor student in each graduating class shall be engraved upon it. The first name to be placed there is that of Miss Bessie Zorn, last year's best student.

REPUBLICANS PICK MORGAN FOR GOVERNOR

Ganfield Choice For U. S. Senator and Paulsen for Secretary of State

Milwaukee, June 2—With a vote that astonished and bewildered even his closest workers and friends, Attorney General William J. Morgan carried the citizens conference here by storm late yesterday afternoon. He was endorsed on the first ballot for governor by a vote of 636. Wilcox was second with 148 and Kreutzer third with 113.

Dr. William Arthur Ganfield went even stronger than Morgan and was endorsed for United States senator by acclamation.

Others endorsed by the Republican conference, which closed this morning are: For Secretary of State, Martin R. Paulsen of Stevens Point; lieutenant governor, Riley Young of Darien, and for attorney general, John F. Baker of Madison.

The platform of the conference, progressive and constructive, direct and decisive, embodying many plans urging legislation "beneficial to the majority," criticized the acts of Senator Robert M. La Follette and Governor John J. Blaine.

La Follete Denounced

Senator La Follette, the platform asserts, has shown himself "unfit to represent Wisconsin" in the United States senate. The conference unanimously approved the resolution that was adopted by the state legislature in March 1918, which denounced the attitude of Senator La Follette's war record. Governor Blaine was criticized for his "abuse of the pardoning power" and for his permitting the use of the state capitol for a public speech by Kate Richards O'Hare.

Dr. Ganfield and Leatham Smith were named for endorsement for senator and both were given a great ovation, as Chairman Bosshard ordered the roll call. The voting had not gone far when several counties started to vote for Bosshard. Delegates shouted his name and it appeared for a time a stampede might be started. This was prevented by Bosshard who took the floor and told the delegates he would not be a candidate and would not consent to become one. He then urged the delegates to support Ganfield.

Paulsen is Chosen

Six candidates were placed in nomination for secretary of state, but when the point was pressed that a service man should be placed on the ticket, five withdrew in favor of Martin R. Paulsen, who served as a marine in the world war. Paulsen was endorsed by a unanimous vote.

Three sessions were held during the day and when the conference recessed for supper the delegates still had to consider the endorsement of candidates for senator, attorney general, secretary of state and state treasurer. The conference came to a close at 12:45 this morning and nearly 1,000 delegates representing Wisconsin were ready for a rest, after an all day conference.

Waukesha, June 2—Dr. William A. Ganfield, president of Carroll college, endorsed by the citizens Republican conference at Milwaukee last night as a candidate for United States senator, is well known throughout the country in educational circles. He came to Waukesha to become president of Carroll a year ago from Danville, Ky., where he was president of Centre college.

Dr. Ganfield was born 48 years ago in Cascade, Ia. He received his early education at Epworth seminary, Epworth, Ia., and later attended McCormick theological seminary of Chicago from where he went to Chicago university. Dr. Ganfield also attended Cornell university. After leaving Chicago university 18 years ago, he came to this city, where he taught economics and history at Carroll. He remained 11 years, then taking over the pastorship of the Congregational church at Waukesha.

GRADUATION VISITORS

Relatives Arrive Here to Attend High School Commencement

Mrs. William Snyder and Mr. and Mrs. O. A. Palmer of Arlington, Tex., arrived in the city this morning to be guests at the W. F. Mr. Gilson will have two assistants at Cochrane and he will teach classes in mathematics and science.

PORTAGE COUNTY STOCK TO IDAHO

Purebred and Grade Guernseys Are Purchased in Large Numbers by Western Buyers

One hundred and twenty-nine head of purebred and grade Guernsey cattle were recently shipped from Portage and Waupaca counties to Oro Fino in the northern part of Idaho. Out of the west to buy these Badger cattle came R. L. Morgan of the Idaho Agricultural college located at Moscow, accompanied by a banker and the local railroad agent.

This is the second shipment of Wisconsin cattle to go to the "Gem of the Mountains" this season according to the report of A. O. Collentine, extension animal husbandman at the Wisconsin College of Agriculture. The southern part of this western state took over 2,000 head of Holsteins from Wisconsin in the previous shipment.

Following the old "Gold Trail" made by the early prospectors to the "Black Hills" of South Dakota, a shipment of grade and purebred Wisconsin Holsteins from Monroe and La Crosse counties recently wended its way.

Plans are now well under way for shipping 100 head of milking Shorthorns to Montana. These cattle will be assembled in Badger counties where this breed predominates and will be purchased directly through the county agents working in cooperation with the breed associations.

HOLD MANY PICNICS IN MONTH OF JUNE

Communities in All Parts of Wood County Planning Out-of-Door Gatherings

Wisconsin Rapids, June 6—This is the month of picnics for Wood county farmers. Communities in all parts of the county are planning out-of-door get-togethers.

Dairymen from at least five counties will gather at the W. A. Drollinger farm near Auburndale for the third annual picnic of the North Central Wisconsin Brown Swiss Breeders' association on June 8.

Three other community picnics will be held in Wood county this month. At Nasonville, three farmers' organizations are cooperating to stage a picnic on June 16. Judging contests for Holstein and Guernsey breeders will be held and will bepreceded by a cow judging demonstration by George C. Humphrey of the agricultural staff of the University of Wisconsin.

On the following day breeders near Pittsfield will have a picnic sponsored by the Pittsfield Holstein Breeders' Neighborhood club. Music, judging contests, and talks by the county agent and leading breeders will be features of the program. Humphrey will repeat his cow judging demonstration.

Farmers of the Rudolph Holstein Neighborhood club have invited Governor J. J. Blaine to address their gathering on June 17. The program for the day includes the same variety of events as run off at the other picnics.

2,000 HEAR WEBER'S BAND AT KILBOURN

Richland Center Wins First in Tournament for Juveniles at Kilbourn Last Week-end

Stevens Point received a decided boost through the appearance of Weber's band in concert at Kilbourn Saturday night.

The occasion was the closing of the Wisconsin Juvenile Band tournament which had been in progress three days, the local band giving the closing concert before a crowd of some 2,000 people. This was the only adult band to appear there during this tourney and after the concert much praise was heard among the crowd for the high order of music offered by Director Raymond Jacobs' men.

The band members made the trip Saturday afternoon, arriving at Kilbourn about 5 o'clock, when they were the guests of Mr. and Mrs. Carl Orthman, who had arranged both meals and lodging for the men at a resort below the city at a beautiful spot on the Wisconsin river. Sunday a sightseeing tour by boat through the Dells was carried out, the men returning to Stevens Point late the same day.

During the concert Saturday night the medals for soloists among the juvenile musicians were presented and the winning bands announced. Richland Center won first, Elkhorn second, and Lake Geneva third in class A. In class B, Madison was first. Sixteen bands were entered in the tournament with a total of over 500 young musicians. These were all assembled on Friday and gave a joint concert. The presence of Stevens Point's band in concert at the climax of the tournament gave this city some state-wide publicity rarely possible through other means.

JUNCTION CITY SPEED VICTIMS NOW NUMBER 76

That Many Caught On Village Street In Period of Six Weeks

Victims of Junction City's speed cop in the past six weeks number 76.

This figure was furnished the Journal by Val Jashinski, the speed cop himself, who was a visitor in Stevens Point on Monday and who was interviewed by a reporter.

"The speeders average only two or three at the most and not 16 a day as has been reported," Jashinski said. He declared that he has arrested no one so far this spring who has driven any slower than 25 miles per hour, even when passing the village school house. The lowest is 25 and the highest so far recorded is 51 miles per hour, it was explained.

Hurts Gasoline Sales

It is reported that the vigilance of the Junction speed cop is meeting opposition from several quarters, among those opposing his village law enforcement program being one or more Junction business men who sell gasoline. They claim that their sales have been reduced because of his activities, as motorists are avoiding the village and purchasing their supplies of "gas" elsewhere.

Fred Bernhagen, one Junction garage owner, paid a fine of $10 and costs of $6.70 last week after pleading guilty to assault. He was alleged to have interfered with Officer Jashinski after the latter had apprehended an alleged speeder. Bernhagen is said to have come to the defense of the motorist and a hot verbal tilt between the two village men is reported to have preceded the assault.

Cost of Speeding $13.70

The cost of speeding through the main street of the village is $13.70. This represents a fine of $10 and costs of $3.70, imposed by the village justice, C. J. Heun. Jashinski denied reports that he assessed fines and collected them in some cases, after stopping alleged violators. He said, however, that when strangers passing through the village are apprehended at a time of day when the justice cannot be secured to try the cases, and where they are in a hurry to leave, he collects a bond of $13.70 for their appearance at a later time. If they fail to appear the bond is forfeited and the amount becomes the fine and costs of a speeding conviction.

Jashinski, who is the village marshal, declared that the war on speeders is to be continued all summer and that all offenders who hit it up to 25 miles an hour or more will be promptly stopped and a charge preferred against them.

Wave to Women Costly

Among the most recent victims were two men driving a big car who were hailed by a woman resident of the village who is presumed to have been signalling them to slow down. She is said to be not in sympathy with the speed cop's activities. The men in the car mistook her signal for a wave of the hand, which they returned and then "stepped on the gas." Jashinski witnessed the incident and followed the car. Result, $13.70.

NEPHEW OF MAX KREMBS PASSES AWAY AT ST. PAUL

Max Krembs went to St. Paul today to attend the funeral of his nephew, Major Theodore Krembs, who passed away in that city Wednesday, aged 60 years. An affection of the knee had bothered him for several months and it is believed that he died from the after effects of an operation. Major Krembs' father was Moritz Krembs of Chicago, a brother of Max and the late Charles and Alex Krembs, Sr. The now deceased, accompanied by his wife, visited local relatives last summer. He served during the World war and rose to the rank of major. Until recently he had been employed as athletic instructor by the St. Paul police department.

MRS. WAYNE ALLEN DIES AT AMHERST

Young Woman Dies at Herman Otto Farm After an Illness of But a Few Days

(By Special Correspondent)

Amherst, June 2—Death came to Mrs. Wayne Allen Thursday afternoon at their home on the Herman Otto farm east of town after an illness of a few days. The news of her death caused intense grief in this community. Mrs. Allen was a great sufferer during her short illness and she bore it with great patience, hoping and believing to the last that she might be spared to her husband and little daughter. The funeral was held Monday afternoon from the Lutheran church near Benson Corners, where she attended church when a child, and also held membership there. Rev. Mr. Thompson officiated. The large concourse of people who attended the last sad rites and the general expression of sorrow over her death, together with the beautiful floral offerings, were silent tokens of the love and respect for a good wife, mother and friend.

Besides her husband, Wayne Allen, she leaves a daughter, Evelyn May, who was one year old last January, her parents, Mr. and Mrs. Peter Rosholt of New Hope, and several sisters and brothers. Interment was made in the Rosholt lot in the cemetery adjoining the church. Mrs. Allen was born October 16, 1901, in Norway, and came with her parents to Wisconsin when a young child. The family have the sympathy of the community in their great sorrow.

Observe Memorial Day

Memorial day was observed by appropriate services last Tuesday. The W. R. C. and Loyalty Legion joined with the G. A. R. in the exercises of the day. The Amherst band was out and added much to the program. The school children took active parts and a splendid address was given by Rev. E. Croft Gear of Stevens Point. The hall was filled and many were unable to get inside. The graves at both cemeteries were decorated in the forenoon, and appropriate services were held at the bridge for the sailors at the early part of the program.

Bits of News

Palma Halvorson, who has been employed in Minneapolis the past year, is expected here the last of the week for a visit with her parents, Mr. and Mrs. Chris Halvorson and other relatives.

CLOVER IS KNEE-HIGH BEST IN MANY YEARS

Crop Coming Forth in Splendid Shape Under Blue Skies of Central Wisconsin

Cloverland, June 7—Cloverland is in the height of its glory today. Clover is knee-high in many fields throughout this section. "Natives" say that not for the last 10 years has there been so good a stand of clover.

Portage, Clark, Wood, Marathon Lincoln, and Waupaca counties all report very little winter killing due to the heavy blanket of snow which covered this region for more than five months straight. New seedings successfully survived the winter and are thriving under blue June skies as never before. Present indications are that it will not be long before farmers in this region will be making their first cutting.

Other farm crops are growing in great shape, and if the season continues as well as it has begun, farmers here will enjoy a bounteous harvest. Rye, an extensive crop on the sandy and light soils, is heading out in fine shape.

In the sand belt extending through Portage and Waupaca counties hundreds of bushels of inspected early potatoes have been planted and preparations for planting late potatoes are well under way.

OBITUARY

Mrs. John Sobiscz

Antonia, widow of the late John Sobiscz, a pioneer of Sharon township, died Memorial day at 6 p. m. at the home of her daughter, Mrs. Joseph Arndt, 214 Sixth avenue. Mrs. Sobiscz's husband passed away a few months ago, since which time she had lived with the daughter in this city. She was 78 years of age and a native of Poland. Her illness extended over a period of several months with heart trouble but she was confined to bed only a couple of weeks.

Funeral services were held at the Torun Catholic church at 9 o'clock Friday morning, with interment in the parish cemetery.

Mr. Sobiscz, the late husband of decedent, will be remembered as the man who constructed his own coffin some 25 years or more ago and stored it in the attic of his home until his death. The incident was given much publicity in local and metropolitan papers.

Dies at Hospital

Frank Piotrowski, for the past four years a farm owner near Dancy, passed away at St. Michael's hospital in this city Wednesday evening at 7:45 o'clock, following less than a week's illness with obstruction of the bowels. He was taken sick last Friday and was brought to the local hospital on Monday. A surgical incision was made but his trouble was then in such an aggravated form that further operation could not prolong his life.

Mr. Piotrowski was born in Poland 54 years ago. He came to America when 22 years of age, locating in Chicago and was married in that city. After a residence of five years in the big city the family moved to Necedah, Wis., remaining there 19 years. They moved to the Dancy farm in July, 1918.

There are nine children in the family, all living at home except one son, Stephen, who is in Chicago.

The funeral was held from St. Francis' church, Knowlton, at 9 o'clock Monday morning, with interment in the parish cemetery.

Baby Boy Dies

Edmund, the nine months' old son of Mr. and Mrs. Ladislaw Stokwiak, 208 Fifth avenue, died at the family home on Thursday and was buried from St. Peter's church Saturday.

Lose Young Son

Mr. and Mrs. Joseph Nowak of the town of Dewey, mourn the loss of a son, John, aged 10 years, who passed away on Thursday after an illness of only three days with diphtheria. Because of the nature of the disease, interment took place the following day, burial being in St. Francis cemetery at Knowlton. There are several other children in the family.

William P. Clements, Sr.

"He knew Portage county when it was an unbroken forest and when Indians, bear and deer were as common as automobiles are today."

This quotation is true of William P. Clements, Sr., who came to the town of Eau Pleine 66 years ago and whose death occurred at Mosinee last Friday night 10:45 o'clock. He went to that village a month ago to visit at the home of a son, Alonzo W. Clements and was taken sick last Monday. As he had been feeling poorly for a year or more he was in a weakened condition and unable to ward off last week's attack.

Funeral services were held at Mosinee shortly after noon Monday, the body being then taken to Wausau for interment in the family lot in Pine Grove cemetery, Rev. Richard Evans officiating. Two of his sons, William and A. J. Clements, drove up from this city.

W. P. Clements' birthplace was Thackford, Vermont, and the date Oct. 16, 1834, making him nearly 88 years of age. He was twice married, the first time in New York state in 1856 to Sarah Warner. The young couple came west the same year and settled in what was then an unbroken forest in the town of Eau Pleine, where Mr. Clements lived during a period of 37 years, or until 1893. Mrs. Clements died in 1863, leaving the husband and three sons, William, Frank and Alonzo. Several years later the widower married Caroline Otis Beedle, whose first husband, Jacob I. Beedle, was killed in the Civil war. One son, Arthur J. Clements, was born to them. Mrs. Clements passed away June 11, 1873.

After disposing of his farming interests, Mr. Clements lived for a number of years at Wausau and this city. He spent nearly two years at International Falls, Minn., returning here this spring.

Frank Clements, one of the sons, lives at Everett, Wash., and a stepson, Ed. Beedle, is a resident of this city. A brother, George Clements, is at Northport, Wash.

The deceased was a kindly gentleman and numbered as a friend by all who knew him.

Drowning Victim Burried

Raymond Rose, the twelve year old son of Mr. and Mrs. Peter J. Rose, who met a tragic death by drowning in the Plover river at Jordan last week, was laid to rest in St. Stephen's cemetery Monday morning. Burial services were conducted at St. Joseph's church by Rev. H. J. Ehr, several hundred friends attending the last sad rites. Pallbearers were Fred Egenhoefer, Geo. Frank, Jos. Pagel, Walter Allen, Mike Heldinger and Alvin Meinke.

Two Babies Die

The homes of Fred Erdmann, 107 McCulloch street, and Logan Butcher, 528 Strongs avenue, were saddened on Sunday by the deaths of infants, Mr. and Mrs. Erdmann losing a son and Mr. and Mrs. Butcher mourn the death of their only child, a daughter. Both funerals were held Monday, with interment in Forest cemetery.

Native of County Dies

Mrs. Adam Eiden, a lifelong resident of Portage county and member of one of its best known families, died at her home in Amherst village at 12:30 o'clock Sunday morning. She had been troubled with goitre for several years and recently her entire system became affected.

Mrs. Eiden was Anna Smith, daughter of the late Peter Smith and Mrs. Smith, pioneer residents of New Hope town. She was born on the old homestead 51 years ago and lived there until her marriage to Adam Eiden 30 years ago last November. Mr. and Mrs. Eiden continued to live in New Hope until their removal to Amherst village last fall. They are the parents of three daughters, Mrs. Earl Leary, now on the home farm, Ada and Gertrude Eiden.

Other near relatives include the deceased woman's aged mother, six sisters and two brothers, Mrs. Frank Klinkert and Mrs. Fred Sorenson of this city, Mrs. Matt Eiden of Sharon, Mrs. Frank Liebe of Nelsonville, Peter, Joseph and Lena of New Hope, and Mrs. Maggie Eiden of Gully, Minn.

Funeral services were held at St. Martin's church, Sharon, conducted by Rev. L. M. Schorn, at 10 o'clock this morning, and interment followed in the adjoining cemetery.

CLARK CUNTY PLANTS BIG SOY BEAN ACREAGE

Five Thousand Acres Put in This Season by Farmers for Silage and Hay

Neillsville, June 6—About 5,000 acres of soy beans are being planted by Clark county farmers for silage and hay. Recently a 300 bushel order of soy bean seed was purchased and distributed throughout the county.

They are trying to grow enough soy beans on the light soils of the county to supply seed for the sections of heavier soil next year.

The raising of livestock is Clark county's most important agricultural industry and the one which County Agent H. M. Knipfel is pushing the hardest. A total of 18 neighborhood breed clubs are now in successful operation in the county. Twelve community clubs of Holstein breeders have a total membership of more than 235 members. There are 116 members enrolled in the six Guernsey clubs.

Cow testing associations are being boomed by Knipfel. Seven of these associations are running "full speed ahead." Four more associations will soon be in running form. With the organization of the new associations about 275 Clark county farmers will be having their herds tested each month. Eleven testers then will be on the job looking for "boarder" cows.

The county agent is giving much attention now to getting ready for the fall influx of cattle buyers.
